Subject: MEMBERSHIP ONLY

Dear Sir or Madam:

In accordance with s. 496.406(1)(b), Florida Statutes ("F.S."), a charitable organization or sponsor that solicits contributions only from its own membership is exempt from the registration requirements of s. 496.405, F.S. *Membership* is defined in s. 496.404(16), F.S., and does not include persons granted membership upon making a contribution as the result of a solicitation.

Upon review of documents and other relevant information submitted to or obtained by the Department of Agriculture and Consumer Services ("Department"), a determination has been made that pursuant to s. 496.406(1)(b), F.S., your organization is exempt from the registration requirements of the Solicitation of Contributions Act. Please note, however, that organizations exempt from the registration requirements of s. 496.405, F.S., must comply with all other requirements of Chapter 496, F.S.

Should changes occur in the future that would render this determination invalid, please contact the Department immediately. If the Department becomes concerned about the validity of this determination, it will contact you immediately for clarification.

Sincerely,

Liz Compton
