Notes:

1. This information was provided by each Clerk of Court and has not been audited for accuracy.
2. Includes statistics for March 2018 from Broward, Gilchrist, Gulf, Highlands, Manatee, Miami-Dade, Orange, Polk, and Wakulla Counties. For April 2018 through March 2022, data reported includes all counties.
3. Some counties report the total number of RPOs filed in the “Petitions for Final Risk Protection Orders (RPO) Filed” column, and the “Petitions for Temporary Ex Parte Risk Protection Orders (TRPO) Filed” is a subset of that previous column. In other counties, the RPO Filed and TRPO Filed are separate counts and combined would represent the total number of RPO filings. The Office of the State Courts Administrator is aware of the reporting issue and will provide guidance to the clerks of court to address the apparent differences in reporting.
